

Let's make a sound recorder with Thymio and Scratch!

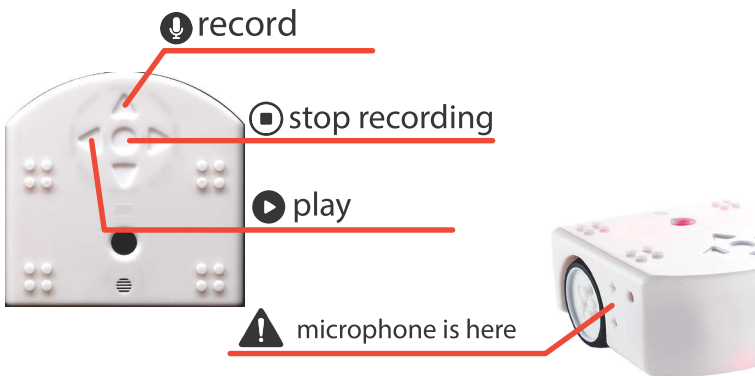

Step 1: Watch the video below.

Step 2: Connect Thymio and make this program in Scratch!

Step 3: Use these buttons to record and play sounds.

Step 4: Share your sounds!

USER SOLUTIONS

Post Title

Sound Recorder

Describe your solution with a unique title

```

when clicked
  clear LEDs
  forever
    if button forward then
      LEDs all R: 32 G: 0 B: 0
      record sound 1
    if button center then
      stop sound recording
      clear LEDs
    if button left then
      LEDs all R: 0 G: 32 B: 0
      replay sound 1
      wait 3 seconds
      clear LEDs
  
```
